

CLASSIC MOVIE MONSTERS

Lon Chaney 1883-1930 in The Phantom of the Opera (1943)

As the horribly disfigured Eric, who lives below the Paris Opera House, Lon Chaney terrified audiences everywhere.

Dear Director Hennigan:

My family is very concerned about our Bay/Delta water!

Please ensure that CALFED:

1. Invests in water efficiency for 7 years before even considering new dams or reservoirs!
2. Protect land around rivers + bays, and ensure sufficient fresh water
3. Improve water quality by enforcing pollution limits for humans + animals
4. ~~last~~ Stop making us pay for studies of new dams! THANK YOU!
